

Woodford Valley C of E Primary Academy

Equality Objective *27th May 2016 – 27th May 2020*

OBJECTIVE	To address pupil mental health and wellbeing as part of our commitment to preventing mental health difficulties that may start in childhood but have a greater impact in adult life.
Specific	That specific mental health difficulties can impact on children now and in their adult life. Increase awareness of health and well-being and promoting resilience within our pupils
Measurable	Young people's attitudes will change and be positive, building up their resilience Data of vulnerable pupils is analysed e.g. Wiltshire tracker All stakeholders are involved in regular reviews of mental health issues and concerns
Attainable	Link through PSHE and Circle time and P4C Worship to address issues Pupils who are vulnerable contribute to school groups e.g. Prayer team, school council, radio team, friendship group CPD training for Head teacher and Deputy Head, this will be shared with all staff TLR to look at data tracking systems- Wiltshire Tracker School counsellor available for children who we have concerns about
Relevant	The target is of importance to us as a school because we want our pupils to be resilient, happy and have good mental health. We want them to leave our school prepared for their next journey with a positive way of thinking and having skills to help them through their lives
Time-Bound	Pupils to have opportunities to talk, reflect-on going all the time Staff to attend CPD on mental health and to feedback- during the next 4 years
