

Sports Funding 2018-2019

Funding

In 2014, the government announced additional funding of £150 million per annum until 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How will the funding be spent?

Woodford Valley Academy, we will receive £17780, so we have developed an action plan to ensure that the money is spent wisely.

The tables below gives a breakdown of the different ways that the funding is to be spent and the impact we expect them to have.

Woodford Valley Primary Academy School Action Plan September 2018-August 2019

EVENT	COST	EVALUATION / IMPACT
