Woodford Valley C.E Primary Academy

Dear Parents

We break up for the half term break this Friday and return the first Monday back which is February 19th. I hope you all manage to have a restful break and a time together as a family. Let's hope the wet and windy weather breaks and we get some spring sun shine. The children have worked so hard this term despite the rumble of colds, coughs and upset tummies we have had.

Thank you to the PTA for a **super** Valentine disco this Thursday – great fun was had by all. Also the KS1 children thoroughly enjoyed the Circus last week, KS2 will be taking part after half term. Thank you to the PTA for funding this event.

Please can I remind you all to make sure the children have coats and gloves in school for the rest of the term. I am sure we will continue to have some cold weather to enjoy. Remember to check Parentpay correspondence and the website to see if the school is closed or open if we have some significant snowy days.

Application for a place in the mini marathon will be coming up soon. Please see that **NO late entries** will be accepted this year as it makes the coordination of the event very complicated.

Please can you send emails for the office to office@woodfordvalley.wilts.sch.uk and **not** admin@woodfordvalley.wilts.sch.uk. The office email is checked more regularly throughout the day and so we can ensure we get back to you on time. Thank you.

We still have some children arriving late. Please can you make sure they are ready to join the rest of the school by 8.40am so we can start off the day ready to go. We are expected to report on the number of late comers and ensure that every child has the same chances by starting the day at the same time.

Can I also remind you all to use the car park carefully . The disabled bays at the front gate are not to be used for pick up and must be kept clear. We have a few parent/carers who need to use these bays and so need to keep them free. Please try to park without wasting space so we can all fit in - thank you. If you are interested in starting a car share we might be able to help, see Donna Young if you are keen.

Enjoy your pancakes next Tuesday and have a super break. See you all soon.

Rebecca Carson
