Dear parents

Welcome back to term four. Another rather short term so be prepared for a jam packed six weeks!

Our value to be celebrated and explored this term is **Hope**. A super value to use as we look at the build up to Easter. We will be looking at the **Hope** we have in the world around us and how we can build that hope in our own lives.

This is another term of unpredictable weather and so please keep your ears open for any ice or snow on its way so we can all be prepared for careful journeys or potential school closures. Again we will make any extreme announcements through Parent pay and the school website.

On a similar note please make sure pupils come with coats and hats to make sure we can still enjoy outside at play times. Can I please also ask these are named so we are able to return any lost items to the children.

Please can all pupils have their PE kits for the whole week. We are having a number without them each week. PE lessons are an important and compulsory part of the curriculum and a much needed part of the week for them to be active.

Mini marathon applications will be communicated to you shortly. Please make sure you sign up in the designated time slot as there will be no late entries accepted this year. All runners will need to be part of Ben's running Club so sign up to that to through ParentPay.

The second Parents' Evenings information will be shared soon. We are using a new system, School Cloud that works alongside ParentPay. Information for this system will be communicated to you shortly. The governors will be there to answer any questions you have on the future of the school and the exciting next stages we will all be involved in.

We will be sending out information for you about new Head teacher's appointment when we have completed interviews held towards the end of the term.

As always we appreciate your support when parking sensibly as this helps with the flow of vehicles and the safety of all using the car park.

Please note the dates for this term.

Monday 19<sup>th</sup> February– Return to School

Tuesday 5<sup>th</sup> March – Lake Class Height, Weight and Vision Checks.

Tuesday 12<sup>th</sup> March - Parents Evening (no teacher led clubs this week, Clubs run by Ben will
