And now I give you a new commandment: love one another. As I have loved you, so you must love one another. If you have love for one another, then everyone will know that you are my disciples.' John 13:34-35

Dear All,

Welcome back to you all. I hope you had a lovely Easter break, enjoying the sunshine and spending time with your families.

We are now in Term 5 of the year and although it is a short term, it is a busy one with events going on such as sports day and VE day celebrations.

The children have come back to school excited and ready to learn and to see their friends again.

We are holding an On-Line Safety session for parents this term so please look out for further details on this- we all know how important it is to keep our children safe online.

Thank you for your on going support.

Best wishes,
Donna Young

Our Value this term is **Forgiveness**,
The children will be discussing, reflecting and thinking about the importance of forgiving others. This is such an important value in all our lives.

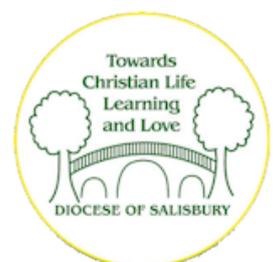

Attendance

We are continuing to focus on the attendance levels of all our pupils and your support with this is crucial. Please ensure your child is in school by 8.40 am. If your child is ill, please inform the school office by 9.30am on the day they are ill.

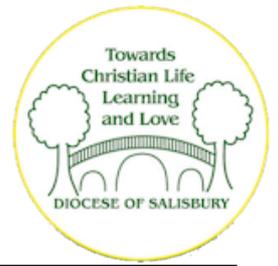

Ensuring the well-being of our children is a shared priority, and mental health plays a crucial role in their overall development. To support you in nurturing your child's mental well-being, there are a couple of websites below that offer guidance, tools, and support.

Summer Time!

During the summer terms, the weather can become warmer and we want the children to remain safe during playtimes.

To help with this, please send in labelled sunhats, and named water bottles.

You can send in sunscreen for your child to apply on themselves-staff are not allowed to apply sun cream.

Drop off in the mornings

Just a quick reminder that children should be dropped off at the designated morning drop-off area from 8.30 am. This helps us ensure a smooth and safe start to the school day for everyone. **Please do not allow your child to come into school before 8.30 am** as staff may not be present in their classrooms until then.

Communications with staff

If you would like to speak with your child's class teacher, please contact the office who will pass on your request to the member of staff. They will then arrange a time to meet with you.

Thank you for your support and cooperation with this.
