And now I give you a new commandment: love one another. As I have loved you, so you must love one another. If you have love for one another, then everyone will know that you are my disciples.' John 13:34-35

Dear All,

Welcome back! I hope you had a fantastic Christmas and a Happy New Year filled with happiness and relaxation. As we start a new term, we are looking forward to working together to ensure the children have a safe and super start to the year.

Please check your child's class webpage to find out about what they will be learning this term.

A happy and healthy new year to you all.

Kind regards,
Donna Young

Our Value this term is **Creativity**. In our worship time, we will be discussing what creativity means, reading Bible stories that demonstrate creativity and the children will be reflecting on their own creative talents.

Attendance

Regular attendance is important for learning and success - please help us by making sure your child is in school on time. Remember, if your child is poorly, please contact the office on the day they are ill by 9.30 am.

Please can we remind you that the children should be in school by 8.40 am.

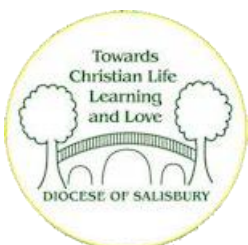

Thank you for your support with this.

Parking

As we start the new term, we kindly remind everyone to park safely and considerately during drop-off and pick-up times.

Your co-operation helps ensure the safety of our children and consideration for our neighbours. Let's work together to make the school environment safe and pleasant for everyone.

Thank you for your understanding and support.

As we begin the new term, here are a few important reminders:

1. Bad Weather Alerts: In the event of severe weather, please check the school website and Parent Pay for updates regarding closures or changes to the schedule.
2. PE Kit: Remember to send your child's PE kit, including long trousers and long-sleeved tops, as the colder weather sets in. Please ensure long hair is tied up, no jewellery is to be worn and children should not wear nail varnish or have fake nails as this is not part of our school uniform code.
3. Outdoor Clothing: To keep children warm during outdoor activities, please ensure they have a coat, hat, and gloves every day and to help prevent lost items, please label all clothing clearly with your child's name. This makes it much easier to reunite lost items with their owners.
4. Please can we ask you to ensure hair is tied up- we have had a couple of cases of headlice recently so you may wish to check your child's hair.

Snow Day Fun in school!
