And now I give you a new commandment: love one another. As I have loved you, so you must love one another. If you have love for one another, then everyone will know that you are my disciples.' John 13:34-35

Dear All,

Welcome to the start of Term 4- I hope you had a restful half-term break. This term is a short one but full of different events.

Please look out for information regarding our Parents Evenings, we look forward to meeting with you and discussing your children.

We are looking forward to World Book Day next week- look out for the staff dressing up! We will also be inviting you in to look at our new school library.

Thank you for your ongoing support.

Kind regards,  
Donna Young

**Worship Value**

This term our school value is Hope- this links well to the time of year with spring on its way as well as leading up to Easter.

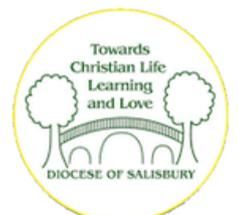

In our worship time, the children will have the opportunity to read Bible stories and other stories that demonstrate hope, they will discuss the meaning of hope and link it to their own lives today.

**Attendance**

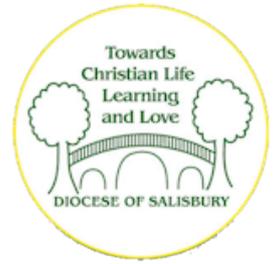

Good attendance helps children develop important life skills such as responsibility, resilience, and time management. It sets the foundation for future success both academically and socially. Thank you for your continued support in making sure our children are attending school.

**Attendance Ladder**

**Thank you to the PTA  
who have purchased our PSHE scheme Scarf -  
we are very grateful.**

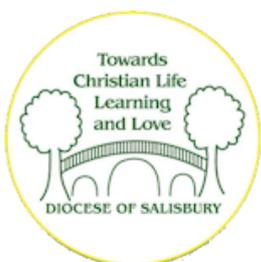

**Our theme this year for Safer Internet day was centred around the safe use of AI (Artificial Intelligence). Thank you to the Year 6 Leaders who led our worship about Safer Internet Day.**

**The website 'Internet matters' has some useful guidance for parents about how support children with navigate AI safely. An additional risk of AI is Deepfakes which as AI created videos or audio recordings that manipulate a person's likeness to make them appear to do something they never did or said.**

**Here are some useful web links:**
