

# Woodford Valley Primary Academy

## Equality Objective 2020-2024

Objective	To provide remote learning opportunities for all pupils within school, particularly the pupils in the protected characteristic groups
Specific	To ensure that our vulnerable pupils can access home learning in remote format
Measurable	Pupils to continue making progress in their learning even when at home
Attainable	School to provide laptops for those learners in the protected characteristic groups Staff to share with pupils how to access the remote learning Parents to be informed of how to access the remote learning Teams to provided as CPD for all staff Staff to make contact on a weekly basis with the children who are in our vulnerable groups if there were a lockdown
Relevant	We want all children to be able to feel confident in working from home if there is a requirement. For parents to be able to access remote learning with an increased confidence.
Time Bound	School to purchase new laptops for September 2020 Staff to start using Teams as a remote learning tool from Autumn 2020 To review the use of remote learning through the next 4 years
