

Religious Education Progression of Skills – Woodford Valley Primary Academy

Year Group	Religious Education - celebrations		
Reception	-The class explore why different people celebrate special events		
1	-Children can simply explain how special times are celebrated in Islam		
2	-Children will learn about Easter and can say some of the ways that it is celebrated		
3	-Children will learn about celebrations and festivals and they will begin to explore the deeper meaning of these		
4	-Children will understand the significance of Good Friday for Christians and they will start to understand its relationship to Easter Sunday		
5	-The class will look at the pilgrimages that are undertaken by different faiths and they will start to understand why they are important to some religious believers		
6	-Children will investigate the resurrection of Jesus and can explain how this is celebrated, considering the impact of this on Christians
