This School is committed to creating the ethos in which children can grow towards Christian life, love and learning.

'And now I give you a new commandment: love one another. As I have loved you, so you must love one another. If you have love for one another, then everyone will know that you are my disciples.'

John 34-35

SECTION 1 – COMPLIANCE AND GENERAL STATEMENT

This policy complies with the statutory requirement laid out in the *Special Educational Needs and Disabilities Code of Practice 0 – 25 Years* (April 2015) and has been written with reference to the following guidance and documents:

- Equality Act 2010: advice for schools DfE Feb 2013
- SEND Code of Practice 0 -25 Years (April 2015)
- Schools SEN Information Report Regulations (2014)
- Statutory Guidance on supporting pupils at school with medical conditions (Dec 2015)
- Safeguarding Policy
- Accessibility Plan
- Teachers' Standards (2012)
- United Nations Convention on Rights of the Child (1991)
- Education and Childcare during Covid-19 Guidance (2020)

This Policy has been created to ensure compliance with the Department of Education's SEND Reforms, which address measures outlined in the Children and Families Act 2014. The Act includes changes to the support and services children and young people with special educational needs and disabilities will receive. These changes came into force on 1st September 2014. This policy has been created by R Massie in liaison with the Headteacher, SEN Governor, SLT and staff, with due regard to the input of parents and pupils with SEND.

Woodford Valley Primary Academy is a popular, village school set in beautiful countryside and surrounded by the most wonderful community. The academy has grown enormously over the last 20 years, from 38 to 210. There are seven single year classes. There are four full-time members of teaching staff, seven part-time staff and an additional two part-time staff members who support our PPA (planning, preparation and assessment time). Among those staff members are four previous Leading Wiltshire Teachers for both Literacy and Numeracy, a Key Stage 1 LA moderator and a Key Stage 2 moderator.

We have very close links with the church and a strong Christian ethos. We worship in the church once a week and enjoy a termly Eucharist as well as celebrating special services such as Easter and Christmas.

The school holds the following Awards:

In compliance with the SEND Code of Practice, 2015 and SEND Reforms, there is a graduated approach to the identification, provision and support of all pupils which includes a period of close monitoring and targeted provision prior to the consideration being given to place a child onto the school Provision Map and/or SEND register. Should a pupil require provision that is additional and different, they are placed on the Provision Map under one single category, namely SEN Support. Their provision will be identified and progress monitored via the Provision Map.

This policy sets out our commitment to raising the aspirations and expectations for all pupils with SEND.

SECTION 2 – AIM (THE LONGER VIEW)

The overarching aim of this policy is to ensure that the needs of pupils with SEND, and the barriers to their learning, are accurately identified and effectively met so that they are able to achieve well and develop well, both as individuals and as members of the community, living life with dignity and independence (UNCRC Article 23). To this end, we aim to:

- a) Assess pupils accurately, track their progress regularly and adjust provision in the light of ongoing monitoring.
- b) Ensure that lessons are stimulating, enjoyable and well differentiated to meet the needs of all pupils, including those with SEND.
- c) Ensure that teaching and learning is multi-sensory.
- d) Make sure that additional support is well targeted, using a judicious blend of in-class support and withdrawal.
- e) Use the most appropriate resources to support learning, taking into account individual learning styles and ensuring that the development of pupils' literacy skills has the highest priority.
- f) Continuously monitor and evaluate the effectiveness of our provision for all pupils, including those with SEND, to ensure that we are providing equality of educational opportunity and value for money.

Objectives

Through the application of this policy we wish to:

- a) Ensure compliance with National SEND Policy, most currently the DfE *SEND Reforms, Children and Families Act 2014* and the *SEND Code of Practice 2015*.
- b) Work closely with the LA in developing their Local Offer and complying with locally agreed policies and procedures.
- c) To operate a 'whole pupil, whole school' approach to the management and provision of support for SEND.
- d) Ensure all staff implements the school's SEND policy consistently – fully endorsing our belief that every teacher is a teacher of every child including those with SEND.
- e) Ensure that there is no discrimination or prejudice.
- f) Ensure all pupils have access to an appropriately differentiated curriculum.
- g) Recognise, value and celebrate pupils' achievements at all levels.
- h) Work in partnership with parents/carers in supporting their child's education.
- i) Guide and support all school staff, governors and parents on SEND issues.
- j) Meet the individual needs of all children irrespective of whether they have physical, sensory, emotional, social, mental health, specific or general learning needs.
- k) Provide appropriate resources and ensure their maximum and proper use.
- l) Involve the pupil in the process of identification, assessment and provision and ensure that the pupil is aware that his/her wishes are taken into account as part of the process and of the shared responsibility in meeting his/her educational needs.
- m) To provide an appropriately qualified Special Educational Needs and Disabilities Co-ordinator (SENDSCO) who will oversee and work with the SEND Inclusion Policy.
- n) To provide support and advice for all staff working with pupils who have SEND.
- o) Support pupils with SEND to develop their personality, talents and abilities to the full. (UNCRC Article 23)
- p) Encourage all pupils with SEND to develop a respect for human rights, respect for parents, their own and other cultures and the environment. (UNCRC Article 29)

SECTION THREE – IDENTIFYING SPECIAL EDUCATIONAL NEEDS

A child has a learning difficulty or disability if he/she has:

- greater difficulty in learning than the majority of children of his/her age; and/or
- a disability which prevents or hinders him/her from making use of educational facilities/provision that is normally available.

In addition, we identify special educational needs within the context of the usual differentiated curriculum of the school. Pupils are identified as having SEND if they are not making progress within a curriculum that:

- a) sets suitable learning challenges
- b) responds to pupils' diverse learning needs
- c) aims to help pupils overcome potential barriers to learning.

In accordance with the SEND Code of Practice 2015, four broad categories of need are identified:

- Communication and Interaction
- Cognition and Learning
- Sensory and/or Physical Needs
- Social, Mental and Emotional Health.

Whilst it is clear that the purpose of identification is to work out what action the school needs to take, it is not our purpose to fit a pupil into a category; it serves solely to identify the needs of each individual pupil by considering the whole child, not just his/her special educational needs.

The school will always take needs that are *not* SEND, but that may impact on progress and attainment, into account. For example:

- Attendance and Punctuality
- Health and Welfare
- EAL
- Being in receipt of Pupil Premium
- Being a Looked After Child (LAC)
- Being the child of a Serviceman/woman

The identification of behaviour as a need is not an acceptable way of describing SEND and any concerns relating to a child's behaviour will be described as an underlying response to a need which the school has recognised and identified clearly.

SECTION 4 – A GRADUATED APPROACH TO SUPPORT OF SEND AT Woodford Valley CE Primary Academy

At Woodford Valley Primary Academy, all teachers are responsible and accountable for the progress and development of all pupils in their class including where pupils access support from specialist staff and teaching assistants. High quality teaching, differentiated for individual pupils, is the first step in responding to pupils who have SEND. 'Quality First' teaching is a priority of the school. It is regularly and rigorously monitored and there is a focus on continual improvement of the teaching of all pupils, including those at risk of underachievement. This includes reviewing and, where necessary, improving teachers' understanding of strategies to identify and support vulnerable pupils and their knowledge of the SEND most frequently encountered. Close liaison is maintained with all members of staff by the SENDCO to ensure that pupils are only identified as having SEND if they do not make adequate progress once they have had appropriate interventions/adjustments and good quality personalised teaching.

Details of the provision on offer at Woodford Valley Primary Academy can be found in the school Offer in the SEND section of the school's website and on the local authority website <https://www.wiltshire.gov.uk/local-offer>

Levels of Need

Woodford Valley Primary Academy's Graduated Response consists of three levels as follows:

Monitor

This refers to pupils who may, for some reason, have fallen behind and require some additional input to catch-up. A pupil in this category may have one of more of the following indicators :

- Be at risk of not meeting their targets
- Currently working at a standard below national expectations and their targets will not bring them above this level
- New entrants to the school whose needs are still being assessed
- Currently have barriers to their learning e.g:
 - Their behaviour is disruptive
 - There are attendance/lateness issues
 - Concerns over their mental health
 - The family is currently experiencing challenges
 - They have EAL (English as an Additional Language).

Teachers will identify pupils who need to be monitored and identify and implement strategies to address their needs and enable them to catch up. This may involve conversations between the class teacher, SENDCO and parents which will include problem-solving, and planning support and strategies for the individual pupils.

Pupils at this level of need *do not* form part of the Academy's SEND Register and, in line with the Code of Practice, the school ensures that everything is done at an early a stage as possible to avoid the need for SEND Support. However, if after a period of time an individual does not catch-up, it is at this point that consideration will be given as to whether they need SEND support.

SEND Support

Pupils are placed on the Provision Map at this level after assessment and consultation between the SENDCO and class teacher when it is established that they have a significant learning difficulty and need provision that is **additional and different**.

At this point, parents/carers will be informed of the decision and the School will continue to work in partnership with them, listening their views and those of the pupil, and involving them proactively in planning and decision making. This will take the form of a half-termly 'Assess- Plan-Do -Review Cycle':

Assess

- Teacher's high quality, accurate formative assessment and experience of child
- Pupil progress, attainment and behaviour
- Development & attainment in comparison to peers
- Views and experiences of parents
- The child's own views
- If relevant, assessments, views of and advice from external services.

Plan

A plan will be drawn up by SENDCO & class teacher in consultation with parents and child. It will include:

- The outcomes agreed for the next half term
- The support and interventions to be put in place
- The expected impact on progress, development or behaviour
- A clear date for review
- The plan will be recorded on the Provision Map
- A copy will be given to the parents.

Do

- The class teacher remains responsible for working with the child on a daily basis and works closely with TAs or specialist staff to plan and assess the impact of the interventions.

- The SENDCO supports the class teacher in the further assessment of the child's particular strengths and weaknesses, in problem-solving and advising on the effective implementation of support.

Review

- Parents will be invited to attend review meetings with the teacher and their child, at least termly, in order to monitor/ review the effectiveness of the support and the impact on the child's progress.
- A new plan will then be drawn up and added to the ongoing Provision Map.

Involving Specialists

If a child continues to make little or no progress over a sustained period or where they continue to work at levels substantially below the age-expected range despite SEND support, the school will involve specialists including those from outside agencies. The views of parents/carers and the child are considered at all levels of intervention.

Education, Health and Care Plan

Pupils who need more specialist provision and whose needs cannot be wholly met at SEND support level will be the subject of Statutory Assessment. This is completed by the SENDCO who obtains the views and information about the child from all other professionals involved in their education, health and/or care. Parents'/Carers' views and those of the child are obtained and will be considered in order for a recommendation for an EHCP to be made to the Local Authority. The LA then consider the application and issue an EHCP as appropriate.

There is a statutory requirement to review an EHCP annually. This review meeting is held at the school with parent, child and all professionals involved invited to attend. In addition, pupils with an EHCP are subject to the Assess-Plan-Do-Review Cycle.

The SENDCO is responsible for:

- Assessing specific needs of students with SEND, including application for Statutory Assessment.
- Liaising with other schools to aid transition.
- Ensuring all relevant information is forwarded on to new school.
- Day-to-day operation of the school's SEND Policy.
- Liaising and advising class teachers and support staff.
- Maintaining the SEND Record of Need and the records of all pupils with SEND.
- Liaising with parents/carers of pupils with SEND.
- Liaising with external services including the Educational Psychology Service, Social Care, Early Support etc.
- Planning and holding review meetings for pupils with SEND including those with an EHCP.
- Working with Year 6 teacher and Headteacher to ensure access arrangements are in place e.g. additional time for KS2 SATs.

SECTION 5 - CRITERIA FOR EXITING THE SEND RECORD OF NEED

The SENDCO has responsibility for the removal of a pupil from support on the SEND Register at Woodford Valley Primary Academy. The decision will be dependent upon appropriate progress being made towards set targets and in conjunction with appropriate teaching staff/outside agencies and parents.

SECTION 6 – SUPPORTING PUPILS AND FAMILIES

- Families of pupils with SEN are guided towards the Wiltshire Local Offer <https://www.wiltshire.gov.uk/local-offer>.
- Woodford Valley Primary Academy website includes the SEND Policy and Annual SEND Information Report in accordance with Regulation 51, Part 3 section 69(3)(a) of the Act.
- Admission arrangements can be found on the school website.
- The school's policy on managing the medical conditions of pupils can be found on the school website.

- Transition meetings between class teachers to discuss the needs of individual pupils with SEND take place in July and will include the passing on of all records including all Provision Maps.
- We ensure that Y6 pupils with specific SEND can access KS2 SATs. The Year 6 teacher, in liaison with the Headteacher and SENDCO, ensures access arrangements have been made in a timely manner.

SECTION 7 – Supporting pupils at Woodford Valley Primary Academy with medical conditions

- The school recognises that pupils at school with medical conditions should be properly supported so that they can have full access to education, including educational visits and physical education. Some children with medical conditions may be disabled and where this is the case, the school will comply with its duties under the Equality Act 2010.
- Some pupils may also have SEND and an EHCP which brings together health and social care needs, as well as special educational provision; here, the Code of Practice (2015) is followed.
- The school has members of staff trained in Paediatric and General First Aid and, where appropriate, staff are trained in managing the medication and other treatments of pupils with medical conditions. The school supports Pupils with Medical Conditions for more detailed information including the name of the member of staff who leads on this aspect of care.
- The school follows all guidance from the DfE on Covid-19 Procedures.
- The school follows guidance published by the DfE which can be found at www.sendgateway.org.uk.

SECTION 8 – MONITORING AND EVALUATION OF SEND

Please refer to information given in Section 4 of this policy. The quality of provision offered to all pupils with SEND is continuously monitored through ongoing daily, weekly, termly and annual review, on an individual and cumulative basis in conjunction with the governors, Headteacher, SLT, teaching staff and parents, in line with an active process of continual review and improvement of whole school practice.

SECTION 9 – TRAINING AND RESOURCES

- All professional development needs are identified through the school's appraisal system, self-evaluation and quality assurance processes and feed into the School Development Plan.
- The Headteacher oversees the professional development of all teaching staff and teaching assistants. Training occurs during whole school training days, staff meetings and by attending courses. Colleagues attending courses are expected to disseminate and share relevant knowledge with other staff within the school.
- Newly appointed teaching and support staff undertake an induction meeting with the SENDCO who will explain systems and structures in place around the school's SEND provision and practice and to discuss the needs of individual pupils.
- The SENDCO attends continuing professional development training courses in order to keep up to date with local and national developments in SEND.
- Support Staff are encouraged to take an active part in all school functions/training.

SECTION 10 – ROLES AND RESPONSIBILITIES

Role of the SEND governor/Governing Body

- When a pupil with SEND moves to another school, their SEND files are, wherever possible, delivered to the receiving school by hand and a signed file transfer receipt is required from the school. If this is not possible, the files are sent by recorded delivery post. Should the SENDCO not receive the signed receipt back from the receiving school within 10 working days, this will be followed up with a phone call to the school.
- The SENDCO ensures that no sensitive, personal data about individual pupils with SEND is visible anywhere in the school, including offices, staffroom or classrooms, unless it is required for safeguarding e.g. medical needs such as allergies, in which case explicit consent is gained.
